Unique Building undergoing significant upgrades to a clean-shell condition, offering a modern open layout with a strong presence in Etobicoke. The refreshed building envelope and configuration create an adaptable setting for creative buildouts, collaborative workspaces, specialty workshops, studios, or member-based concepts. The large open floor area, excellent natural light, and distinctive architectural character provide a versatile backdrop for operators seeking a destination-style environment with a contemporary feel. The property also features a usable outdoor area along the side of the building, offering additional flexibility for operational needs or an enhanced tenant experience. A rare opportunity to secure a character-rich space in a rapidly evolving pocket surrounded by creative and specialty operators. Well suited for tenants seeking a dynamic, experiential environment with the flexibility to create a truly distinctive destination.
